Garbage, illegal dumpsites, and junk vehicles are eyesores that telegraph that the neighborhood is not safe and that its residents don’t care. Junk vehicles and garbage

cannot be visible from the street. Unlicensed cars must be covered or concealed. Garbage dumpsters must be rolled away from the curb every day except pickup day. To report illegal dumping or neighborhood trash problems, call the City's Department of Neighborhood Resources (DNR) at 792-CITY (2489). Describe the problem and give the address.

If your vehicle was impounded by the Tucson Police Department because of certain traffic violations, in most cases you must wait 30 days before you can get your vehicle back. The cost for a 30-day impound of your vehicle will include an administrative fee of \$150 paid directly to the City of Tucson, plus the towing company’s fees. Currently, the towing company charges storage fees at a rate of \$9.50 per day; towing charges will also be added, and possibly a “gate fee.” All fees shall be paid before your vehicle can be released.
